Preparation of Declarations with Verified Results

- **Once satisfied that all reports have been completed, the Chief Electoral Officer will provide each Returning Officer with the following reports for the electoral district:**
 - Results for the electoral district from all tabulation machines in N.B.
 - Poll-by-Poll Results for the electoral district

Declaration Day (D+4)

- **Declaration of Election:** The Returning Officer completes the P 02 703, *Declaration of Election*, declaring the candidate with the largest number of votes elected.
- **If there is a tie,** the Returning Officer must cast the deciding vote before filling out the Declaration.

Judicial Recounts

- **Within 4 days after the Returning Officer has declared a candidate elected, an elector of the electoral district may apply for a recount to a judge of The Court of King's Bench of New Brunswick.**
- **Normally done if the report of the Returning Officer discloses that there is a difference of not more than 25 votes between the number of votes cast for the candidate declared elected and another candidate.**
